2.0 APPLICATION: ADVANCE INFO & TERMS AND CONDITIONS - POST-PRODUCTION

Producer Name:	APP ID:
-----------------------	----------------

INSTRUCTIONS

✓ **Use this application for Advances on Storable Agricultural Products that are Post-Production and have been harvested and stored.**

General

- ✓ Use the Advance Rates in effect at the time of application as provided by the Administrator to complete Section 2.1 of the Application.
- ✓ The Producer must not have more than one million dollars (\$1,000,000) outstanding in Advances, including as a result of the overlap between Program Years and amounts issued to Related Producers.
- ✓ The interest-free Advances are limited to the first **two hundred fifty thousand dollars (\$250,000)** per Program Year and will be limited by other interest-free amounts issued to the Producer and/or other Related Producers. For canola advances, that amount is **five hundred thousand dollars (\$500,000)**.
- ✓ Advance amounts issued above the applicable interest-free limit in a Program Year shall be interest-bearing.

Security

- ✓ Security for Post-Production advances is the Agricultural Product(s) itself, and any Agricultural Product(s) produced in a subsequent Production Period by the Producer and all proceeds of such, is sufficient to secure the APP Advance. No additional security is required.
- ✓ This insurance coverage must be in effect until the Advance taken under this Repayment Agreement is fully repaid.

Multi-Peril Insurance

- ✓ The Producer must confirm that they have multi-peril insurance on their farming operation which includes coverage for the entirety of the Agricultural Product(s) they have in storage.
- ✓ Where the Agricultural Product(s) is stored off-farm at commercial storage facility, the Producer must confirm that the commercial storage company has such insurance.
- ✓ At a minimum, confirmation may be obtained through signing of the declaration.

Default

Failure to comply with this Repayment Agreement, including, but not limited to the full repayment by the end of the applicable Production Period, will result in the account being declared in default.

The full impact of a default is detailed in section 6.0 Default and subsection 4.4 Interest Rate of the Repayment Agreement and is summarized below:

- ✓ The interest-free benefit is lost;
- ✓ Default interest is charged at the Prime Rate plus one percent (Prime +1%) on the amount of the outstanding balance from the date the Advance was issued to the date the Producer was declared in default;
- ✓ Default interest is charged at the Prime Rate plus two percent (Prime +2%) on the amount of the outstanding Producer's liability from the date of default until the Advance, interest and all costs of collection are repaid in full;
- ✓ A one time Default Management Fee of three per cent (3.00%) to a maximum of six thousand dollars (\$6,000.00) on the defaulted advance is charged within forty-five (45) days of default; and Defaulted producers could face an ineligibility period. Refer to subsection 9.5 of the Repayment Agreement for details.
